10 ways to savor summer

when you have fun and save...
You Win!

Dear **XXCustomer_First_NameXX**,
Here are some unexpected ways to get the most mileage out of your summer fun. Enjoy! —
XXDealership_NameXX

- 1 Eat a banana split for breakfast.** Be creative! Top a banana with things you enjoy, like flavored yogurt, fruit and nutty cereal.
- 2 Let children or grandchildren plan a day trip.** Let them read maps and travel literature, and figure travel time and costs.
- 3 Create a lemonade stand—even if it's for family only.** Combine 1 cup freshly squeezed lemon juice with 3/4 cup sugar. Stir well. Add 4 cups water and unpeeled lemon slices, mix and enjoy!
- 4 Blaze your own trails.** Dust off your bike, pack it in (or on!) your Hyundai and head out for a little mountain biking. Check out the trails at www.dirtworld.com/trails
- 5 Skip the bite of backyard barbecues.** When grilling outdoors, use mosquito repellent with DEET (read label before applying on young children).
- 6 Tow smart.** High-speed driving puts extra strain on small trailer wheels. Be sure to inspect the wheels before putting them to task.
- 7 Get cool shades for your home.** Even when it's past the spring green, add life to your yard by planting low-maintenance perennials like hibiscus 'Luna Red.'
- 8 Get even cooler shades for you.** Chic or practical, sunglasses protect your eyes and cut the sun's glare. Look for those with 99-100% UVA and UVB protection.
- 9 Enjoy arctic-like blasts from your Hyundai's A/C.** Routine air-conditioning checkups will help keep it performing its very best.
- 10 Save gas!** Underinflated tires, misaligned wheels, a dirty air filter and neglected tune-ups can decrease gas mileage. Schedule summer maintenance with your Hyundai dealer today!
